## A RESPECTED MEMBERSHIP

Our Membership enjoys a rich offering of activities and social opportunities. Our Member-coordinated events from group cruising to competitive pickleball foster the highest level of camaraderie. An active corps of Past Commodores keeps our Club and nautical traditions thriving, with Evening Color Ceremonies and Fleet Activities central to our identity

**Tradition:** We honor the social and maritime traditions of our founding Members and the larger boating community, celebrating events that are unique to our nautical culture.

**Boating Culture:** Boating is at the heart of our identity and the Marina is central to who we are.

**Informality:** We enjoy an elegant, but relaxed environment where we participate in a casual waterfront lifestyle.

**Camaraderie:** We treasure our relationships and seek to build new ones, welcoming new Members with enthusiasm and warmth.

**Engagement:** We are an active Membership, engaged in social, cruising, dining, and lifestyle programs. New and longtime Members alike support the growth and governance of our Club.

**Enjoyment:** We belong to Pelican Isle Yacht Club to enjoy the beautiful natural surroundings, the professional service, the extraordinary amenities, superior dining, and the close knit community of active boaters and Members.

## EXCELLENCE IN AMENITIES & FACILITIES

PIYC is committed to enhancing and maintaining our campus and programs, creating an unparalleled lifestyle experience. A strategic focus on a Master Facilities Plan is geared towards meeting the needs of current and future Members alike.

**Professionalism:** We recruit and retain high caliber staff who are excellent in their roles and respected in their professional circles.

## EXCEPTIONAL SERVICE STANDARDS

PIYC prides ourselves on providing a professional level of service in a welcoming environment. Every department works in alignment to ensure that the newest and most tenured Member alike encounters a "five-star" experience at every turn.

**Evolution:** We continue to evolve and improve, exceeding the expectations of our current Members while attracting future Members and maintaining ties to our past. 2023 is all about reassuring our Members that our new Marina is worth the wait!

## ADAPTING TO CHANGING TIMES

### *It's Worth the Wait*

In September 2022, Hurricane Ian swept across Naples, FL devastating the area and destroying our Marina, which consisted of 190 boat slips.

As a result, we are rebuilding our entire Marina. Our team, along with marina building experts, went through an accelerated planning cycle with a goal of restoring our first class facility as quickly as possible.

We broke ground on our Marina rebuild project in April 2023, seven months after the hurricane, and are striving for completion in early 2024.

# MANAGEMENT & OPERATIONS

The PIYC Management navigates both routine and uncharted adventures with enthusiasm. We collectively strive for excellence and deliberately set our course each year.

*"If you want to build a ship, don't drum up people to collect wood and don't assign them tasks and work, but rather teach them to long for the endless immensity of the sea".*

# THE OVERALL EXPERIENCE

## Our Members say it best...

“When we joined in 2017, we got involved immediately with social activities, playing pickleball and meeting so many wonderful, friendly Members at the Club. We have also been on overnight cruises which were fantastic. Our second year, we became Ambassadors welcoming and orienting new Member's to all the amenities that PIYC offers and encouraging them to get involved. I really believe that getting involved and meeting other Members, provides full enjoyment of all that Pelican Isle Yacht Club offers. This is one of the friendliest and welcoming Clubs that we have been involved with and we are so proud to share that with our family and friends.” – Robert
