THE PELICAN

The Pelican was custom built for Pelican Isle Yacht Club in 2012 and is certified to carry 26 passengers alongside our PIYC crew. Our Pelican shuttle was constructed entirely of fiberglass, is powered by twin Evinrude E-TEC outboards, and measures 38' X 12'. Constructed to the US Coast Guard standards, it annually undergoes the US Coast Guard inspection.

The catamaran-style Pelican shuttle effortlessly cruises our Members through the beautiful backwaters of the Gulf of Mexico.
