

MARCH 2025

PELICAN SHUTTLE SCHEDULE

SUN

MON

TUE

WED

THU

FRI

SAT

Beach landing will be at the sole discretion of the Captain when the landing site is suitable for our vessel and we have a safe, unobstructed access point. High Risk landings will not be attempted and there could be times where where our Captain cannot safely land on at Barefoot Beach and will return to the Club. Hours of Operation will be scheduled to avoid drop-off and pick-ups during times of peak congestion.
