YACHT CLUB

26° 17.5'N / 81° 49.3'W

A dramatic sunset or sunrise over a body of water. The sky is filled with large, dark, billowing clouds that are illuminated from below by a bright orange and yellow glow, suggesting the sun is low on the horizon. The water in the foreground is dark and calm, reflecting the colors of the sky. A dark silhouette of a tree or bush is visible in the middle ground, partially obscuring the horizon line.

Pelican Isle Yacht Club is conveniently situated in an exclusive Southwest Florida location just five minutes from the open waters of the Gulf of Mexico at Wiggins Pass on the Cocohatchee River. This elegant setting affords remarkable water views from every vantage point.

Barefoot Beach Preserve County Park

This park is 342 acres of natural land, one of the last undeveloped barrier islands on Florida's Southwest Coast. It is popular for its beautiful, superb surroundings and great opportunities for avid fishermen, who enjoy many types of fish in the area. The inland side of the island provides tidal creeks and mangrove swamps which serve as breeding areas and as a nursery for sport and commercial fish and shellfish. There is also one-mile nature trail available which is great for bird watching! Find out complete information on their web site at www.friendsofbarefootbeach.org.

Delnor-Wiggins Pass

This park's mile-long stretch of white sugar sand and crystal blue Gulf of Mexico water has been rated as one of the best beaches in the nation several times! This park is popular for sunbathing, shelling, wading in the water, paddle boarding, snorkeling and more! Kayakers can enjoy paddling through estuaries or out into the Gulf. Both saltwater and freshwater fishing are available. There is a hard bottom reef 80-100 feet from the shore which is great for scuba diving. Find out complete information on their web site at www.floridastateparks.org/Delnorwiggins.
