As a private Yacht Club in a highly seasonal environment, our winter months are very busy. We offer a variety of dining experiences for our Members, with frequent menu changes and special events. A typical week will include both casual and more elegant dining ranging from a la carte to buffet to plated banquet service. As a small Club with around 50 total employees in Season, we work closely together and most Food and Beverage Employees will work a variety of events—day, night, a la carte and banquet. We serve indoors, by our pool, and even on our Club boat, *the Pelican!*

We are very proud of the professional level of service that we provide our Members and the warm environment we create. Team work is a must, and we also have fun doing what we do!
