PELICAN ISLE YACHT CLUB

MARINA FAQs

Where can I see which Marina slips are available for transfer or rent?

Lists of the slips available for transfer or rent can be found on the Club's Website. Hard copies of the slip listings are also available in our "Communication Corner" by the Administrative Office. Club Membership is required.

Do you offer long term slip rentals?

All the slip rentals in the Marina are month-to-month. The rentals will renew automatically. A 30-day written notice must be delivered to the Marina Office, either by the Equity Social Member renting or the Equity Yacht Member that wishes to terminate a rental.

Do I have right of first refusal as a renter if the slip is listed for transfer?

Renters do not have right of first refusal if the slip is listed for transfer at the start of their rental agreement.

My vessel is 41 feet. Will it fit in a 40-foot slip?

The dimensions listed for each slip are the maximum that is allowed. If the length, beam or draft exceeds the dimensions listed for that slip, it will need to be docked in a larger slip.

Can I put a lift in a South or West side slip?

Lifts are not approved for the South or West side docks. Most of our North and East docks have lifts.

Is there a fish cleaning station in the Marina?

Our operating permit for the Marina, issued by Florida DEP, prohibits any fish cleaning in the Marina. A fish cleaning station is located at the Cocohatchee River Park Marina boat ramp.

Does PIYC have a fuel dock?

We do not, the closest fuel dock is at the Cocohatchee River Park Marina boat ramp. Our operating permit prohibits fueling of vessels in our Marina. This includes fuel trucks and individuals with containers as well.

What is the current water depth in Wiggins Pass?

Soundings of the Pass are conducted approximately every two weeks with a bathymetric chart. This chart is updated on the Club Website and hard copies are available in our "Communication Corner" by the Administrative Office.

When is Wiggins Pass going to be dredged?

Wiggins Pass and the associated channel markers are maintained by Collier County Coastal Zone Management. The current dredge permit in place allows for dredging every two years. The soundings that PIYC and the ECA conduct every couple of weeks are also shared with Coastal Zone Management to help keep them informed of any changes.

Do you provide pump-outs? How do I get one?

We have a portable pump-out unit and hook ups throughout the Marina. Requests for pump outs can be made through the Club's website or you may call the Marina office. Pump-out requests are completed within 48 hours and a confirmation email will be sent upon completion.

Is there ice available for boaters?

Yes, ice is available at the Club next to lower level pool restrooms. Marina Staff can deliver up to 200lbs of ice to your vessel during business hours with advance notice. Ice requests, as well as bottled water requests, can be made through the Club's website or you may call the Marina Office.
